

Dear Trainee / Fellow / Registrar,

Welcome to the British Society of Neuroradiology Annual Scientific Meeting Trainee Day 2024.

Please find relevant information for the day below. The final programme and other relevant information has been attached at the end of this letter.

The trainee day will take place at Seminar Room 4 of the Learning and Research Centre at Southmead Hospital, North Bristol NHS Trust.

Registration is from 8am and first welcome at 8.25 am. If you arrive late, please let the organisers know so that your name can be added to the attendee list to ensure you receive your attendance certificate after the meeting.

Coffee, Tea and Lunch will be provided.

The hospital address is Southmead Road, Bristol BS10 5NB.

The Learning and Research Centre (marked in red in the map attached) is in the Science Quarter of the hospital grounds (entrance at the end, as per image attached). Seminar Room 4 is on the ground floor.

The most convenient way to travel to Southmead Hospital from the Bristol Marriott Royal Hotel (venue for the main ASM) in city centre is via bus. Two bus services departing from College Green stop – bus number 2 and 2A - will stop outside the hospital. Bus number 2 stop for the hospital is Doncaster Road, marked with an orange circle in the map; bus 2A stop for the hospital is Southmead Hospital Stop C, marked with a blue circle in the map. Other 15 bus services call at or near the hospital site. Please check <https://www.firstbus.co.uk/bristol-bath-and-west> for further information.

A First Bus app is available that allows checking real time information on buses, buying tickets in advance, etc. Car parking is available on site with automatic number plate recognition or pay and display – payment is possible by credit / debit card, notes or coins.

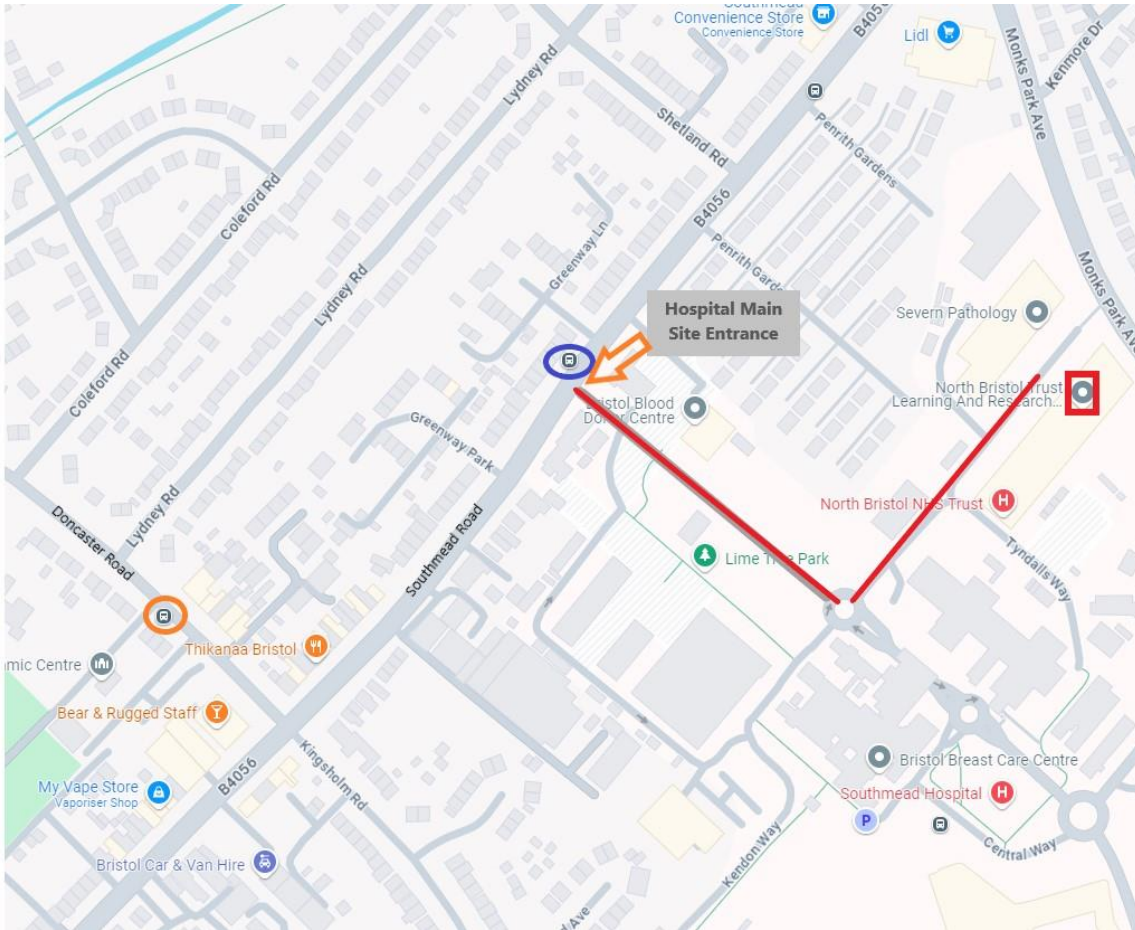

If possible, please bring a wi-fi capable device as some of the speakers may wish to share cases online so you can scroll through these in your own time.

I hope to see you all very soon.

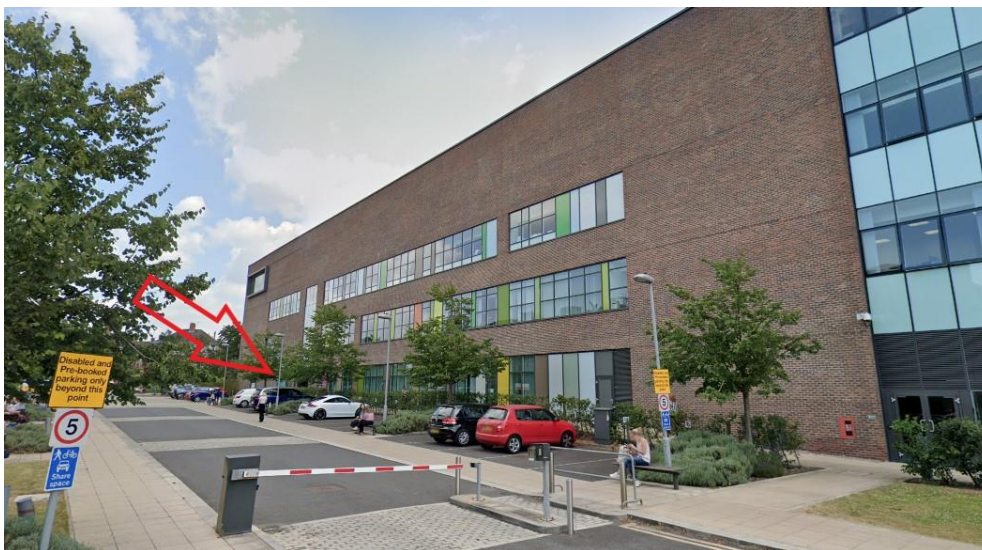

Kind regards,

Joao Alves Rosa  
MD, MRCR, FRCR, EDiNR  
Consultant Neuroradiologist  
North Bristol NHS Trust

# Annual Scientific Meeting

## Trainee day 2<sup>nd</sup> October 2024

Learning and Research Centre, Southmead Hospital, North Bristol NHS Trust

### **8.00 - Arrival and registration**

### **8.25 - Welcome**

### **8.30 - 9.10- Skull Base – What does the neurosurgeon want to know?**

Dr Kumar Abhinav, Consultant Neurosurgeon, North Bristol NHS Trust

### **09.15 - 09.55 – Neuroinflammatory Disorders – Impact of imaging on patient care**

Dr Claire Rice, Associate Professor in Neuroinflammation and Honorary Consultant Neurologist, Bristol Medical School, University of Bristol and North Bristol NHS Trust

### **09.55 – 10.25 - Coffee break**

### **10.30 - 11.10 – Neuroradiology and physiopathology of Toxic and Metabolic disorders**

Dr Shelley Renowden, Consultant Neuroradiologist, North Bristol NHS Trust

### **11.15 - 11.55 – Pearls and Pitfalls of Neuro-Oncological Imaging**

Dr Rebecca Hunt, Consultant Neuroradiologist, North Bristol NHS Trust

Dr Lorna Hawley, Consultant Neuro-Oncologist, University Hospitals Bristol and Weston NHS Foundation Trust

### **12.00 - 13.00- Lunch Break**

### **Workshops**

### **13.00 - 14.00 – INR session - Perfusion imaging**

Dr Rachel Roberts, Consultant Neuroradiologist, Oxford University Hospitals NHS Foundation Trust

Dr Marcus Bradley, Consultant Neuroradiologist, North Bristol NHS Trust

### **14.05 - 15.05 – Skull Base Pathology**

Dr Paul Smith, Consultant Neuroradiologist, North Bristol NHS Trust

### **15.05 - 15.30 - Coffee Break**

### **15.30 – 16.30 – Paediatric NAI**

Dr Fionnan Williams, Consultant Paediatric Neuroradiologist, North Bristol NHS Trust

Dr Neil Stoodley, Consultant Paediatric Neuroradiologist, North Bristol NHS Trust

### **16.35 - 17.00 – Quiz and closing**
